## HUNT TEST TRAINING & HANDLING SEMINAR

Featuring Tom & Katie Quarles of AUTUMN RETRIEVERS

Tom & Katie have a combined 40+ years of professional dog training for dogs and their people. While their home base is in Washington, we are lucky to have them in the Bay Area during the winter, and training in and around Denverton and Grizzly Ranch. This will be a two day seminar which you are welcome to join for one or both days. Flyers will be shot both days. Individual instruction on Saturday. Sunday will be a simulated Hunt Test which will actually be scored and critiqued by Tom Quarles and Laura Judd, both AKC Master Judges. This seminar is for those dogs ready for Junior and higher Hunt tests, (not puppies).

Seminar size will be limited to 20 dog/handler teams.  
Handler spots will fill quickly, so don't wait! Sign up today! No limit on auditing.  
*This Seminar is a benefit for CRTA*
